

Volkswagen

“

This will revolutionize not just the products we're making but also the ways that we work.

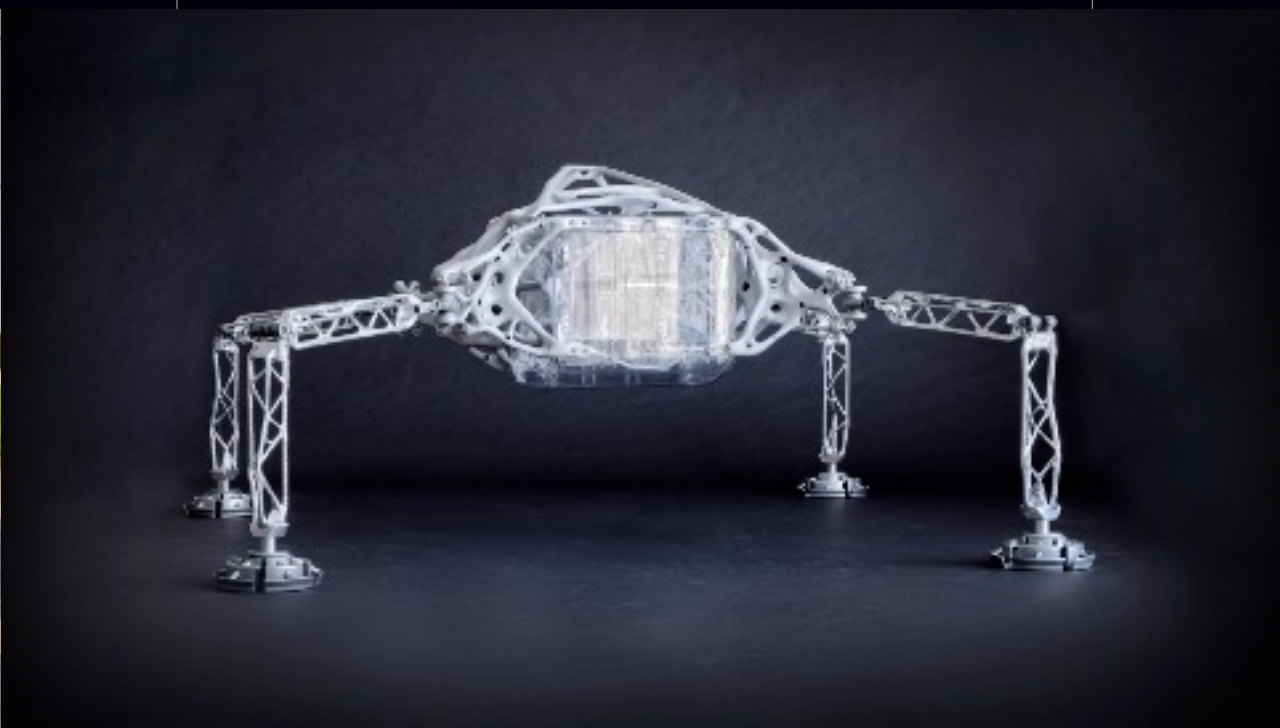

”

Nikolai Reimer, VW

NASA

“

They know they have to explore new ways to do things while keeping risk at a minimum.

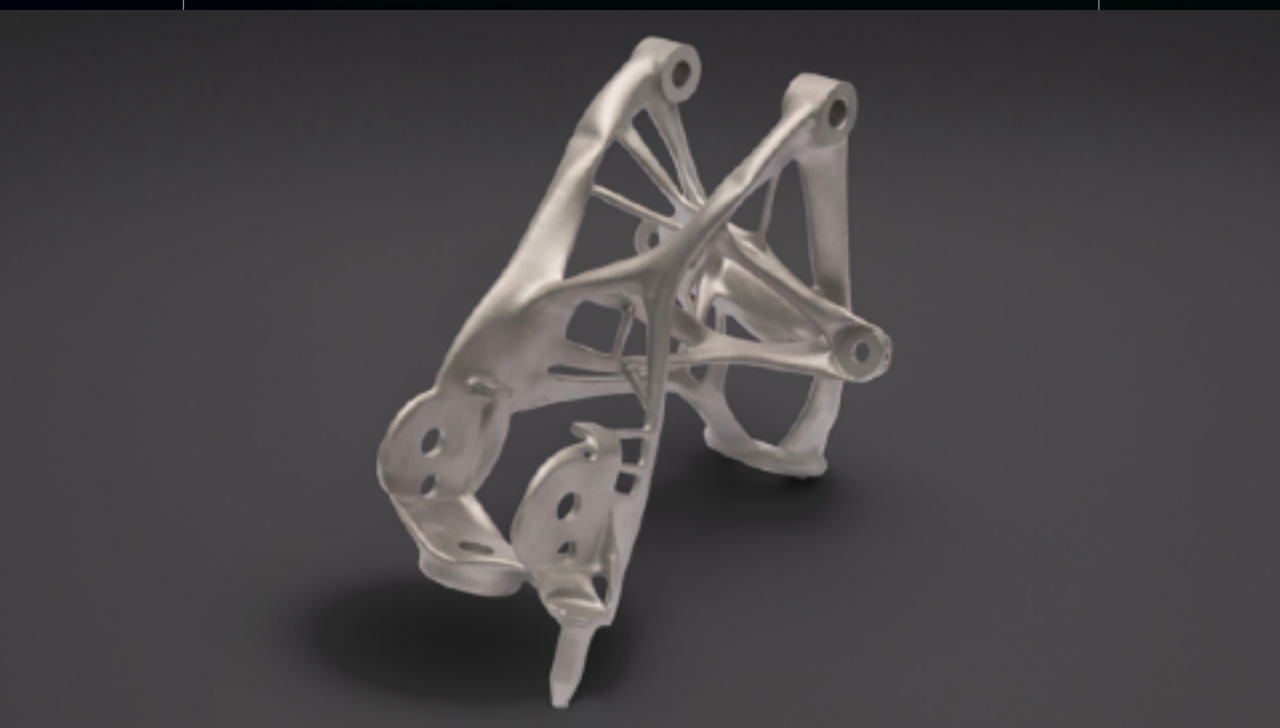

”

Karl Willis, Adsk

<https://adsknews.autodesk.com/news/nasas-jet-propulsion-lab-teams-autodesk-explore>

General Motors

“

They're going to allow us to deliver performance to our customers that they couldn't get any other way.

”

Kevin Quinn, GM

AIRBUS

Airbus

“

We are committed to reducing greenhouse gas emissions ... we were able to reduce the weight of the bionic partition by 45% simply because we combined generative design 3D printing

”

Bastian Schaefer, AIRBUS
