

Learnings

— *Perspectives & Wisdom*

01

—

Marketing should never be overlooked, or left to an outsider.

02

—

Creating new markets requires ‘creative business development’.

03

—

You can often accomplish more with less people.

04

—

The vision should traverse all levels of the company.

05

—

You have to get into the weeds ...it cultivates the culture.

06

—

Think beyond what people think they need.
